

Set up:

Register with Glogster at <http://edu.glogster.com/>

Teacher Account: Private account – no student management in free version.

Student Accounts: Students must sign up individually. Need **Teacher code** to register –email needed (use Gmail hack!).

What you get:

- ✔ Post text, images, videos (currently, your own videos and SchoolTube), audio, graphics, web site links
- ✔ All **Glogster.edu** glogs are private.
- ✔ Students can see only glogs created within your group.
- ✔ You can embed in web site, blog, or wiki page.
- ✔ AutoSave!!!

Glogster-ing in the Classroom:

- ✔ Use as a flashy classroom web page
- ✔ Create individual pages for curriculum hotlists e.g. Math, Reading Practice
- ✔ Any research project or book reports
- ✔ Post class field trip pictures/videos
- ✔ Student poetry + illustrations
- ✔ All About Me pages featuring your students (and you!)
- ✔ Student portfolio pages: what I learned this year
- ✔ Photo album with individual student pages or individual topic pages e.g. Pattern block sculptures, class plays, etc.
- ✔ Resource pages to support your curriculum e.g. frogs page with Internet links, videos, facts, pictures
- ✔ Thank you, Class Volunteer page – background image of class + individual messages from students

Glogster BETA poster yourself
