REMC 5 is excited to announce...

the 21 things

21 things for the 21st Century Educator

Technology underline every educator should know

Spring/Summer 2013 Session

Created by Clinton County RESA, Ingham ISD, Macomb ISD & Shiawassee RESD

The purpose of this resource is to provide "Just in Time" training through an **online interface** for K-12 educators based on the National Educational Technology Standards for Teachers.

Find out why other educators are so excited!

"This was an excellent course. ... 21 Things tops the chart for me now! "
Anette Howe, Beaverton Middle School

"I am being so serious when I say to you that this was hands down the best class I have ever taken."
Mindy Wischmeyer, Mt. Pleasant Area Technical Ctr.

These standards are the basic technology skills every teacher should possess. In the process, educators will develop their own skills and discover what students need in order to meet the NETS for Students.

Face-to-face session: (Participants MUST attend one session)

April 29, 2013:   Winding Brook
May 1, 2013:   Clare-Gladwin RESD

Cost:

$50: Schools in our service area
$100: All others

Sessions are 4:30 to 6:30 pm — light dinner provided.

Register online at   http://tinyurl.com/21ThingsSpring2013

Coursework must be completed and submitted by August 9, 2013.
SCECHs or up to 4 CMU graduate credits available.
