

Close Reading and Text Dependent Questioning for Secondary Teachers

Overview

Participants will learn strategies for teaching students to become close and critical readers through the use of Text Dependent Questioning. Teachers will choose a Close Reading Exemplar such as, "The Great Fire by Jim Murphy," (Grade 6) or, "I Am an American Day by Learned Hand," (Grade 11) and develop text-dependent questions using the, "Guide to Creating Text-Dependent Questions." Teachers will also practice using the developed range of text-dependent questions for instruction.
