# the 21 things

# 21 things for the 21st Century Educator

*Technology every educator should know*

# Focus Courses

**Overview:** If you love the idea of learning at your own pace in you own space, one of the 21 Things focus courses might be just what you're looking for! Utilizing the content of the 21 Things for Teachers full online course, we've developed shorter focus courses for the teacher looking for just-in-time training through an online interface, but in a smaller dose than the full 21 Things course.

Each course kicks off with a two-hour face-to-face session and continues online for six weeks. Sign-up for one, two, or all three courses!

**Audience:** Teachers, all levels

**Cost and Credit Options:**
- 30 SCECHs: $25 per course
- Workshop: $25 per course
- 1 CMU Credit (pending approval): $300 per course

**Register Today!**
- Go to www.cgresd.net
- Click on 'Professional Development'
- Click on 'Register Today'

**For More Information:**
- Contact Kay Hauck at 989-386-8647 or khauck@cgresd.net.
